About Fay + Belle

Whether you have an eclectic modern or classic space to tell a story, Roland's vibrant colors and symbolic designs are the perfect addition to any living space.

Roland rugs are sourced from Turkey, where each of these vintage rugs is carefully inspected and refurbished by hand. The artisan process behind weaving these rugs produces an heirloom quality that stands the test of time. Today, weavers in Turkey are saving these traditional pieces using modern refurbishing processes. These expert techniques bring vibrancy back to the rugs' meticulously hand tied knots and intricate patterns. Known for their durability as well, our vintage Anatolian rugs bring a unique and functional element to any room.
