Holden Caufield once said "people never notice anything." We think, however, our Holden would disagree. With playful shades of red and floral details throughout, his texture and small sizing makes him the perfect statement for any room in your home.

Oushak rugs, imported from the Western Anatolia region of Turkey, are distinct in their use of particular Turkish designs and color palettes that lend to a vintage-meets-modern aesthetic. Modern weavers use traditional techniques passed down from generations to rescue and refurbish these beautiful rugs. A wash of color brings these vintage carpets vibrant new life, highlighting the weathering they've acquired over generations of use. Made from wool and other natural fibers, Oushak rugs are naturally water and stain resistant, ensuring a long life for your home's new colorful addition.
