Jonah is full of history and all about character. His color gradation, visible along unfolding center shapes, reflects his long history and adds a worldly charm to any décor style.

Oushak rugs, imported from the Western Anatolia region of Turkey, are distinct in their use of particular Turkish designs and color pallets that lend to a vintage-meets-modern aesthetic. Modern weavers use traditional techniques passed down from generations to rescue and refurbish these beautiful rugs. A wash of color brings these vintage carpets vibrant new life, highlighting the weathering they've acquired over generations of use. Made from wool and other natural fibers, Oushak rugs are naturally water and stain resistant, ensuring a long life for your home's new colorful addition.
