Leave it to Leroy to balance out your space with his geometric design and neutral colors.

Our flat weave rugs have Himalayan wool threads interlaced along their warp and weft, creating a durability that has allowed this rug-making technique to last the test of time. In contrast to our plush hand knot rugs, flat weaves do not have a pile, are generally light weight, and require little maintenance. This makes them perfect for those who love to frequently rearrange or redecorate their home! With custom designs available, our Nepalese flat weaves have a distinct appeal that can compliment a variety of interior design styles.
