Anatolian rugs, imported from Turkey, offer a touch of history and character to any modern eclectic space with their intense colors and symbolic designs. The artisan process behind weaving these rugs produces an heirloom quality that stands the test of time. Today, weavers in Turkey are saving these traditional pieces using modern refurbishing processes. These expert techniques bring vibrancy back to the rugs' meticulously hand tied knots and intricate patterns. Known for their durability as well, our vintage Anatolian rugs bring a unique and functional element to any room.
