SIZE:	3' x 8'	<p>This bold beauty, Ruth, was designed to make a statement. By balancing her geometric lines with a warm, earth-toned color palette, this runner rug is the best of both worlds!</p> <p>Tiled rugs, also known as patchwork rugs, offer a custom approach to adding vintage designs to your home. By sewing together portions of other individual hand knotted rugs, these collagelike pieces are truly one-of-a-kind and allow you to add vintage flare to any space in any size — from stair runners, to wall-to-wall carpets, to oversized rooms, and more. Tiled rugs are a nice way to add contrasting elements of geometric shapes to organic designs. A combination we love! Our clients have the ability to customize everything from the fabric pattern and shape to the color of the stitching. While we carry some tiled rugs in our inventory, we always encourage our customers to reach out to us about designing your own rug!</p>
