MATERIAL:	Wool	Vintage overdyed rugs, imported from Turkey, offer the stunning look of a well-worn antique find with the durability necessary to bring long lasting beauty to just about any living space. Not only are vintage rugs fashionable, they're also sustainable and handmade! With the help of today's generation of weavers, these vintage rugs are rescued and refurbished using techniques that have been passed down for hundreds of years. Our overdyed rugs go through a process of cleaning, color fading, and color infusing, so you'll still see a bit of the rug's original pattern under a new vibrant hue. Each rug is individually selected for its artful design as much as it is for its pattern of wear.
